- 2 **Commission.** Unless otherwise shown on this form, the commission to the vendor for selling is 12½%, reducing to 10% on consignments of £1,000 or over. For numismatic books the commission is increased to 15%.
- 3 **Minimum Charge.** A minimum charge of £15 per lot will be applied whether a lot is sold, unsold or withdrawn.
- 4 **Unsold lots.** If the lot is unsold there will be a charge of 5% [of the last bid in the room], or the £15 minimum charge. Any unsold lots may be reoffered for sale at the Auctioneers' discretion and without reserve, unless collection has been requested.
- 5 **Withdrawal Fee.** A withdrawal fee on lots withdrawn prior to the sale is charged at 10% of the reserve or, where no reserve had been stated, 10% of the estimated auction value as assessed by the specialist staff of Glendining's, in their absolute discretion.
- 6 **Illustration Fees.** Illustrations are charged at £7.50 per crown-sized coin or smaller. Larger coins, commemorative or war medals, etc., will be charged at £80 per plate, £40 per half-plate, or by proportion. Colour plates will be charged at the current rate.
- 7 **Insurance.** All goods will be held insured unless otherwise instructed in writing – see Clause 14 below.

(The above charges are subject to Value Added Tax)

Glendining's reserve the right to allocate proceeds from the sale of goods referred to in this contract to any outstanding purchases in the name of the Vendor, and which have not been paid for in accordance with our standard conditions of sale.

All goods will be sold without reserve unless otherwise stated. It is the responsibility of the vendor to communicate instructions as regards reserves to the Auctioneers.

GENERAL CONDITIONS OF SALE

- 1 **General.** (a) All sales made by Glendining's, both by auction and private treaty, are subject to the law of the country in which the sale takes place. For the avoidance of doubt, all sales in England are subject to English law and any litigation will be dealt with through English courts.
(b) Unless stated otherwise on this form, the Vendor warrants to Glendining's that he possesses a marketable title free from encumbrances in all goods which he instructs Glendining's to sell and is deemed to instruct as an individual on his own behalf.
- 2 **Catalogues.** Whilst Glendining's make every effort to ensure the accuracy of their catalogues and the description of any lot:—
(a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.
(b) Glendining's do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot.
(c) All statements whether printed in the catalogue or made orally as to any of the matters set out in (b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Glendining's.
- 3 **Copyright.** (a) The text of all Glendining's catalogues is subject to Glendining's copyright and must not be reproduced in any form nor entered into a retrieval system except by Glendining's express consent.
(b) The Vendor authorises Glendining's to commission and publish in its catalogues photographs or illustrations of his objects so far as Glendining's in their absolute discretion think advisable. The cost of such photographs or illustrations shall (unless otherwise agreed) be payable by the Vendor but copyright therein shall vest in Glendining's whose use of such photographs or illustrations shall not be limited to the purposes of sale.
(c) Where the Vendor himself provides photographs or illustrations for publication in catalogues, Glendining's use of them shall be restricted to the purposes of sale; the Vendor shall further be deemed (i) to warrant to Glendining's that the use of such illustrations or photographs is authorised by the copyright owner (if any) thereof

and (ii) to indemnify Glendining's against any claim or costs arising from the wrongful or allegedly wrongful use by Glendining's thereof.

- 4 **The Auction.** (a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids and regulate bidding without in any case giving any reason or without previous notice. He may bid on behalf of the Vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion.
(b) The highest bidder shall be the buyer. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid. If during the auction the Auctioneer considered that a dispute has arisen, he has absolute discretion to settle it or to re-offer the lot.
(c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the Vendor has the right to bid either personally or by any one person (who may be the Auctioneer).
(d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the Auctioneer from the rostrum prior to any bid being accepted for the lot.
- 5 **Premium.** The buyer shall pay the hammer price adjusted for VAT as necessary. The buyer shall pay Glendining's a premium of 10% of the hammer price and this shall be subject to VAT at the Standard Rate and is payable by all purchasers.
- 6 **Rescission** Notwithstanding any other terms of these Conditions, if within fourteen days after the sale Glendining's have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within twenty-one days after such notification the buyer returns the same to Glendining's in the same condition as at the time of sale and by producing evidence, the burden of proof to be upon the Buyer, satisfies Glendining's that considered in the light of the entry in the catalogue the lot is a deliberate forgery, then the sale of the lot will be rescinded and the purchase price of the same refunded. The Vendor agrees to be bound by Glendining's decision and agrees to refund any amounts received by them from Glendining's in respect of that lot. In the case of any misdescription by the Vendor or where a lot is shown to be a deliberate forgery Glendining's shall not be liable to the Vendor for any loss arising from the rescission of a contract for sale.
- 7 **Default** Glendining's disclaim responsibility for default by either the Buyer or the Vendor because they act as auctioneers only and therefore do not pay out to the Vendor until payment is received from the Buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.
- 8 **Third Party Liability.** Every person on Glendining's premises at any time shall be deemed to be there at his own risk. FOREWORD

Although he has been interested in coins for the greater part of his life, Robert Bridge's collection of Byzantine coins has largely been formed since the 1960's. A glance at the plates of this catalogue quickly shows where its strength lies; recent researchers into the coinage of the sixth and seventh centuries in particular have cited many coins from the Bridge collection in their published works. It is from this period that an example of the product of the majority of mint workshops operating, particularly at Constantinople, found a place in the collection, and there are very few duplicates. The collection is equally important for the number of coins from provincial Byzantine mints which are included. The rarities speak for themselves, although the Jerusalem solidus of Heraclius in the likeness of his predecessor Focas is particularly important in the history of that mint. New attributions and re-attributions in the Byzantine series of coins are made as one publication follows another; the catalogue by David R. Sear "Byzantine Coins and their Values" (1987 edition) is most useful in that it gives other references under its consecutive numbering system, whilst the somewhat dated work "Catalogue of the Byzantine Coins in the Dumbarton Oaks and Whittemore Collections" still provides an invaluable English-language listing of many of the varieties of type, legend and minutiae of the coinage on which attributions are so frequently based. For these reasons, the two books alone are principally used as references in the catalogue. Legends are given in letter order as they appear on the coins, but no real attempt has been made to copy the letter forms themselves in this sale catalogue. We would like to acknowledge the help given by Mr. P. J. Donald in the preparation of this catalogue.

∴ The reverse legend ending $\mathcal{I}\Delta$ appears to be unpublished for this very rare type. Assuming this to be an indictional dating, year 14 (610–611), it places the coin appropriately at the very commencement of Heraclius' reign. Tolstoi in his "Monnaies Byzantines" published a specimen purporting to read $\mathcal{I}\mathcal{A}$. It seems likely that his piece may also read $\mathcal{I}\Delta$. Scrutiny of the Tolstoi illustration tends to support this suggestion. As regards the acceptance of Jerusalem as the mint, the city is known to have operated a mint producing gold and copper over the period c. 608–c. 615 (see Hendy, "Studies in the Byzantine Monetary Economy 300–1450 A.D.", p. 415). Folles of Heraclius exist with mint signature IEPOCOS dated year 4 (regnal), 613–614, the portraiture of which has the same Focas-like appearance.

Glendining's Subscription Service 1990

Subscriptions to our catalogues cover a full twelve month period from the time of payment. We hold some 25 auctions each year, of which a minimum of four include Ancient coins, with a further three or four specialising in Historical Medals, Tokens and Numismatic Books. Orders, Decorations and Medals, for which separate subscription rates are offered, are sold in four major sales each year, but three extra Saturday "Collectors" sales have been added to the 1990 Calendar. Most catalogues contain some plates of illustrations. In the course of each year several of the catalogues are of more important collections.

We aim to post the catalogues to arrive some three weeks prior to the date of the sale. Lists of "Prices Realised" are issued after each sale and these are enclosed in a following catalogue, at no extra cost.

For the convenience of customers the subscriptions are priced in differing postal zone, and all overseas catalogues are sent by airmail.

Zone A = U.K. and Ireland; Zone B = Europe; Zone C = Rest of the World

IMPORTANT NOTES FOR BUYERS

BIDS

We will be pleased to execute bids (in the name of Graham) on behalf of intending buyers, and no charge is made for this service. Lots will be purchased as cheaply as permitted by other bids and reserves. Bids must be submitted to Glendining & Co. at least one hour before the sale commences, and should be entered on the forms provided. Bids left by telephone will be accepted only on the condition that they are at the sender's risk, and must in any case be confirmed in writing.

PAYMENT BY OVERSEAS CUSTOMERS

Payment should be made in *Sterling* in the form of cash, cheques drawn on a U.K. clearing bank, or by means of a banker's draft or telegraphic or cable transfer directly into our bank account, quoting the original invoice number. Unless prior arrangements have been made, and payment is made by any other means, then the customer will be liable for any bank or collection charges concerned, and any losses arising from the conversion of foreign currencies into sterling.
